 YES NO if YES, please explain:
4. Are any soil or groundwater remediation projects ongoing or planned or is any monitoring currently underway?
 YES NO if YES, please explain:
5. Are there any prosecutions currently in progress against the company?
 YES NO if YES, please explain:

The sole purpose of this questionnaire is to inform the insurer of the main characteristics of the risk to be covered and does not bind either the requester or the insurer to conclude the contract; consequently, the signing of this questionnaire does not give rise to coverage. The requester declares that the statements contained in this questionnaire and any annexes are sincere and correct in all details, even if they were not written by him.

I hereby confirm that I am not aware of any circumstances that could lead to a claim.

I hereby confirm that during the last 5 years no environmental insurance has been cancelled for any reason.

Privacy of your personnel data

Your privacy is very important to us. You can find detailed information in our privacy statement concerning the processing of personal data of (applicant) policyholders, insured persons, members or payees. The privacy statement also tells you your rights and how to exercise them. To ensure that the privacy statement remains up to date, we have opted to make it available on our website www.add.be/en/privacy. You can also obtain a paper version from your contact person at ADD.

If you pass personal details of other people (such as insured parties) to us, you first have to inform them that their data will be used by the insurer and, if necessary, ask for their consent.
